civil ceremonies

the estuary suite at the country park inn is fully licensed to hold civil ceremonies and civil partnerships

ceremonies in the estuary suite can take place at any time of the day that the registrar will perform the ceremony. the ceremony lasts around twenty minutes

the room hire for this facility is £200. your district registrar will advise you of all the required formalities and relevant costs and will process your application in accordance with the appropriate legislation. it is **you** who must apply for the civil ceremony/partnership to take place at the **country park inn**

the marriage registrar insists that certain rules apply when holding your ceremony at the **country park inn**. they are as follows...

- smoking and the consumption of food and drink are prohibited in the estuary suite prior to and during the ceremony
- two witnesses must be present for the ceremony
- a small room must be made available for a private interview with you both before the ceremony. we are happy to provide this **free of charge**
- the room must be vacated for at least ten minutes after the ceremony

the groom should be available at least thirty minutes prior to the service to meet with the registrar. the groom should then remain in the estuary suite if he does not wish to meet with the bride before the ceremony

the bride should arrive at least ten minutes before the ceremony to meet with the registrars. she may then wait in the bride's room until the service if she wishes

as the registrars work to a very strict schedule, you must both be at the country park inn and ready for your service at the time allocated to them. lateness may result in the ceremony being cancelled by the registrars

guests can begin congregating in the bar up to one hour before the service (drinks available in accordance with licensing law) please note that no alcoholic or non alcoholic drinks may be taken into the estuary suite

music chosen to be played during the ceremony must be authorised by the registrar conducting the ceremony. all music must be provided by the bride and groom and be made available on cd format. this will be played for you **free of charge** by a member of our team. it must be made available to the country park inn at least one week prior to the ceremony. we suggest a selection of songs to be played as background music prior to your arrival, a piece for walking down the aisle, a couple of songs for signing the register and a piece for walking out of the room

the formalities

as soon as you have made a provisional booking for marriage on approved premises you are advised to contact the superintendent registrar who is to perform the ceremony

you must make an advance booking with the registrar. without their attendance there can be no ceremony. a fee for this attendance will be payable twenty eight days prior to the ceremony direct to the registrars office

you must give notice of the marriage to the registrar in the district in which you live. this notice is valid for twelve months. one of the couple needs to inform the registrar as soon as possible after notice is given

you should be advised that any arrangements for a ceremony to take place on approved premises are dependant on...

- the attendance of the superintendent registrar and a registrar for the district in which the premises are situated
- the issue of authority for marriages/partnerships by the superintendent registrar to whom notice of the marriage was given

when notice is given in a different registration district from the one where the marriage is taking place you will have to collect the authority before the ceremony and ensure it is delivered to the registrar who is to attend the ceremony

you should be advised that only a civil, non religious ceremony can be permitted by the superintendent registrar. any music, reading words or performance which form any part of the ceremony must be secular. the content of the ceremony must be agreed with the registrar in advance of the ceremony

any copyright music, reading etc permitted at the ceremony is a matter for the holder of the approval and yourselves

alcohol is prohibited in the room for one hour prior to and during the ceremony

booking your special day

once a date has been set for your day you may make a provisional booking which we can hold for fourteen days. during this time we would suggest a viewing of the room and also a chat with us to discuss any unusual requests. after this period and to confirm the date we will require a non refundable/transferable deposit of £500 along with a signed copy of our terms and conditions. without both of these the date will not be accepted as confirmed. telephone confirmations will not be accepted. if confirmation is not received within these fourteen days and an extension to your provisional booking has not been agreed the date will automatically be freed for further enquiries

wedding menus

a copy of our menus has been enclosed for your information along with prices. we are happy to cater for those with special dietary requirements and vegetarians although we do ask that suitable notice is given. it is suggested that when you send out your invitations you ask guests for any special requirements. a selection of children's options are also available as well as choosing a half portion of your chosen meal. all children's meals will be charged at fifty percent of your chosen menu

drinks packages

ideally a drinks package is made up of a welcome drink, a glass of wine with the meal and a glass of sparkling wine for the toast to the happy couple. our drinks selection has been enclosed but please feel free if you would like to offer a drink of your own choice. we are also pleased to reduce the package for those who do not require all of the suggestions. prices for this can be discussed with your event planner. we also have an extensive wine selection in the shoreline suite and a copy of the menu can be made available if required

table plans and seating arrangements

we do suggest table plans and place cards for all receptions. we would be happy to discuss the format with you and also propose suitable layouts for the different suites. we are also happy to type up a table plan for your guests arrival providing this is made available one week prior to the day. the following is the usual order for those guests sitting on the top table although your own preference for sitting is always suggested...

cake stand and knife

we are able to supply free of charge a round, square or tiered cake stand and a decorative knife for you to cut your cake

toastmaster

a member of the events team will be happy to perform the duties of a toastmaster in an informal manner for which there will be **no charge**. we do suggest that you use this facility as it does help the day run smoothly and allows you to relax

children (up to twelve years old)

children are welcome, however as highchairs are limited we advise customers to bring their own if required. children's menus are available on request and we also offer half portions of your chosen menu at fifty percent of the adult price

timings of your reception

we would be happy to discuss the timing of your day to allow you plenty of time to enjoy the occasion. we would ask that you inform your chosen photographer of eating times to prevent a delay on the day itself

evening entertainment

we are happy to suggest names of dj's that we have used in the past or please feel free to choose your own. there is no additional charge for the use of our stage or dancefloor and entertainers may plug into our amplifiers although we do recommend they make an appointment prior to the event to ensure equipment compatibility

bar facilities

the bar is available until 12 midnight with entertainment carrying through until 12.30am. we do ask that guests have vacated the room by 1.00am.

changing facilities

a changing room which is located adjacent to the shoreline suite for use of the bride and groom is available to you free of charge

payment and prices

the prices in this package are for 2011 and will increase by approximately five percent per person for 2012. a pro forma invoice for the anticipated cost will be sent out to you around four weeks prior to the event with full and final payment due two weeks before the day of your wedding. any decrease in numbers after this date is non refundable or transferable. in the event of cancellation our terms and conditions as signed at the deposit stage will be enforced

minimum numbers

the events team at the **country park inn** reserve the right to allocate you to the suite most appropriate to your numbers. this would always be discussed with you. we do this to ensure that the best atmosphere is achieved and to ensure your day is one to remember. as we impose no room hire charges, other than in the instance of a civil wedding/partnership we do anticipate a minimum revenue for desirable days. to allow you some idea of revenue expected we look at the following allocations...
